

The C4B project continues advancing its mission to co-create fair and sustainable business models for the bio-based economy.

In this fourth edition of our newsletter, we share the latest highlights from recent months — including participation in major European conferences, regional innovation events, and new opportunities for stakeholders to help shape the future of the circular bioeconomy.

# C4B in the Spotlight: News & Highlights from July 2025

**C4B Project**  
**General Assembly - M18**  
**16 & 17 June 2025**

Funded by the European Union, under Grant Agreement N° 101135323. Views and opinions expressed are however those of the author(s) only and do not necessarily reflect those of the European Union or REA. Neither the European Union nor the granting authority can be held responsible for them.

**BioFuel Region™** **C4B**

**The Envigas supply chain attract global interest**

Funded by the European Union, under Grant Agreement N° 101135323. Views and opinions expressed are however those of the author(s) only and do not necessarily reflect those of the European Union or REA. Neither the European Union nor the granting authority can be held responsible for them.

## C4B General Assembly – M18 Meeting in Brussels

 19/06/2025

On June 16–17, the C4B consortium met in Brussels for its Month 18 General Assembly, hosted by **APRE**. Partners gathered to assess progress, discuss sustainable and fair business models, and plan the next project phase.

## The Envigas Supply Chain Attracts Global Interest

 2025

C4B partner **BioFuel Region** highlights the success of Envigas, whose innovative biochar and biocarbon production process is drawing international attention. The initiative demonstrates how sustainable supply chains can create economic, environmental, and social value, advancing Europe's circular bioeconomy goals.

**C4B Research Spotlight at XVIII EAAE Congress**

Funded by the European Union, under Grant Agreement N° 101135323. Views and opinions expressed are however those of the author(s) only and do not necessarily reflect those of the European Union or REA. Neither the European Union nor the granting authority can be held responsible for them

**C4B** partner **Wageningen University & Research (WUR)** presented the project's latest findings at the **XVIII EAAE Congress**, sharing insights on sustainable and fair business models in the bioeconomy. The event gathered experts from across Europe, providing valuable opportunities for knowledge exchange and collaboration.

**C4b at the EFF2025 in Bologna with coordinator**

**PNO INNOVATION**

Funded by the European Union, under Grant Agreement N° 101135323. Views and opinions expressed are however those of the author(s) only and do not necessarily reflect those of the European Union or REA. Neither the European Union nor the granting authority can be held responsible for them

**C4B at EFF2025 – Showcasing Circular Bio-Based Business Models**

**29/09/2025**

C4B joined the 5th International Conference on **Engineering Future Food** (EFF2025) in Bologna, represented by C4b coordinator **PNO Innovation Italy**. C4B presented its circular bio-based business models, highlighting how they add value for farmers, forest owners, and rural communities across Europe.

**C4B**

**C4B Featured at the International Forum on Industrial Biotechnology**

**Turin, 25 September 2025**

**PNO INNOVATION**

Funded by the European Union, under Grant Agreement N° 101135323. Views and opinions expressed are however those of the author(s) only and do not necessarily reflect those of the European Union or REA. Neither the European Union nor the granting authority can be held responsible for them

**C4B at IFIB 2025 – International Forum on Industrial Biotechnology and Bioeconomy**

**29/09/2025**

C4B took part in the International Forum on Industrial Biotechnology and Bioeconomy (**IFIB 2025**) in Turin, with **PNO Innovation Italy** representing the project as a Gold Sponsor.

## C4B Research Spotlight at XVIII EAAE Congress

 2025

C4B partner **Wageningen University & Research (WUR)** presented the project's latest findings at the **XVIII EAAE Congress**, sharing insights on sustainable and fair business models in the bioeconomy. The event gathered experts from across Europe, providing valuable opportunities for knowledge exchange and collaboration.

## Circular Forest Bioeconomy – Study Visit in Sweden

C4B partners **BioFuel Region** and **Fondazione Agrifood & Bioeconomy FVG** co-organised a study visit in northern Sweden to strengthen cross-border collaboration in the circular forest bioeconomy.

## From Engagement to Impact: Co-Developing R&I Priorities for the Bioeconomy

10/10/2025

C4B held an online **co-creation workshop** bringing together 28 stakeholders from across Europe to discuss future **research and innovation priorities** for the bioeconomy.

Participants shared insights from diverse regional contexts, helping shape a shared vision for upcoming R&I actions and strengthening collaboration toward a more sustainable European bioeconomy.

## C4B at ECOMONDO 2025

 06/11/2025

C4B participated in **ECOMONDO 2025** in Rimini, represented by coordinator **PNO Innovation Italia** within their R&I Hub. The event brought together leaders in the green and circular economy to share innovative solutions.

C4B showcased its work on advancing **sustainable bioeconomy models** that connect regional actors, promote new value chains, and foster collaboration across Europe.

**C4B Contributes to the “Seeds of Success” Webinar**

**SPEAKERS**

**Lara Valentin, PhD**  
Technical coordinator  
PNO Innovation S.L.  
E-mail: [lara.valentin@pnoinnovation.com](mailto:lara.valentin@pnoinnovation.com)  
<http://www.pnoinnovation.com/>

**Anna Franciosini**  
**C4B**  
PNO Innovation S.r.l.  
E-mail: [anna.franciosini@pnoinnovation.com](mailto:anna.franciosini@pnoinnovation.com)  
<https://www.pnoinnovation.com/>

**Nadia Vougiannopoulou, PhD**  
PNO Innovation SMEC  
E-mail: [nadia.vougiannopoulou@pnoinnovation.com](mailto:nadia.vougiannopoulou@pnoinnovation.com)  
<http://www.pnoinnovation.com/>

Funded by the European Union, under Grant Agreement N° 101135323. Views and opinions expressed are however those of the author(s) only and do not necessarily reflect those of the European Union or REA. Neither the European Union nor the granting authority can be held responsible for them

## C4B Strengthens Collaboration with EU Sister Projects

C4B recently reinforced its collaboration with the EU-funded projects **TOBEREAL** and **BioINSouth** during the “Seeds of Success: How to Get Funded in the Bioeconomy” webinar. The session provided a valuable platform to share insights on funding opportunities for bioeconomy stakeholders and to highlight that **C4B will soon launch open calls offering up to €60,000** to support the validation of project outcomes.

# Save the date!

## Upcoming events in 2026

As we move into an exciting year for the bio-based innovation community, C4B is gearing up to participate in several major events across Europe. Mark your calendar and come meet us to explore collaboration opportunities and learn more about our upcoming activities.

### **BIC Matchmaking Event 2026**

 11 February 2026 | Online

A unique opportunity to connect with industry stakeholders and explore new partnership possibilities.

### **CBE JU Stakeholder Forum 2026**

 24 March 2026 | Brussels, Belgium

A key event shaping the future of circular bio-based industries in Europe.

### **EUBCE 2026 – 34th European Biomass Conference and Exhibition**

 19–22 May 2026 | The Hague, Netherlands

Join global leaders in biomass, sustainability and innovation at one of the sector's most influential gatherings.

## Get Involved: Join the Stakeholder Panel

Be part of the C4B Stakeholder Panel — your gateway to connect with policy makers, producers, researchers, and business leaders across Europe. Gain access to exclusive resources, events, and co-creation opportunities, and help shape the future of the circular bioeconomy.
